The central objective of the thematic dossier on *Feminist Dialogues on Masculinities: experiences, challenges and prospects* is to gather the experiences, proposals and debates on the work of transformation of masculinities from an interdisciplinary feminist perspective and from the perspective and experiences of women researchers and activists (from the North and from the South) in the following topics, among others possible: - Youth and masculinities: non-violent trajectories; - Fatherhood and Care; - Prevention of gender-based violence; - Culture, art, performativity, and masculinities; - Media and masculinities; - Public policies and masculinities; - Men and Feminism; - Masculinity Studies

The call for non-themed submissions (articles and reviews) is continuously open.

*ex æquo* is a scientific, interdisciplinary and multidisciplinary peer reviewed journal open to contributions of multiple disciplines and currents of thought. Published since 1999 as a bi-annual interdisciplinary journal in the area of Women's, Gender and Feminist Studies (<http://exaequo.apem-estudos.org/page/apresentacao-da-revista?lingua=en>).

About *ex æquo*: "The journal consistently includes articles that are scientifically sound and relevant to an international academic or professional audience in this field." Scopus Content Selection & Advisory Board  
Submission:

Papers must be sent, with scrupulous compliance with the rules of the Journal presented at <http://www.apem-estudos.org/es/page/submissao-de-artigos>, until **January 14, 2021, to the address: [apem1991@gmail.com](mailto:apem1991@gmail.com)**

Within four weeks after the deadline for receipt, the authors will be informed of the results of the first classification and of the next stage, i.e. the sending of the paper, under anonymity, to the double scientific refereeing. The expected date of release of this issue is June 2021.
